

Step Across—

- Provides a safe, convenient yacht boarding step, attached to the side of the boat. You *step across* from the dock to the platform.
- Attaches conveniently with pin mount or flush mount brackets that also accommodate our *Sea Stairs* and *Sea Ladders*.
- 19" or 24" wide platform, similar to an extended top tread for a *Sea Stair*.
- Platform surface options are white, gray or black non-skid tape, traditional seamed teak, or MarineDeck composite decking.
- Yacht name may be added as an option on MarineDeck tread surface models.
- Includes a single stanchion J-style handrail which can be placed on either side.
- Easily equipped with an additional handrail for a secure hand-hold on both sides while boarding. Optional offset stanchions provide additional room when using two handrails.
- Anodized aluminum construction with stainless steel hardware.
- Approximate weight is just 10 LBS (4.5 KG)

Popular Options—

- Secure stowage kits for rail-side, bulwark, cabin top, engine room or lazarette stowage.
- Your yacht's name engraved in one of the MarineDeck treads.
- Standoff extensions to provide a level tread surface at two different mounting locations along the hull.
- Deeper standoff options to clear a large rub-rail, vent or portlight.
- Second handrail, one on both sides.
